96.13%

VOLATILITY

Set your gaming experiencing ablaze by delving into the bright and bold depths of the Neon Jungle.

Based on the border of where Rio de Janeiro, with its vivid city lights, meets the jungle and the vibrant wildlife hiding within

The neon glowing snail really brings this feature out of its shell for players to fully reap the benefits of this crustaceous feature.

When the neon glimmer activates on our tropical dawdler, players will be rewarded with free spins. The neon glimmer will make your eyes sparkle with wonder. The neon glimmer randomly generates over one symbol every spin. When the neon glimmer turns into a neon glow, triggering the feature, players will be rewarded with a variety of different prizes in the form of free spins, the special Flamingo bonus or dazzling multipliers.
