

MEDIEVAL MANIA

**CAN YOU SAVE THE
PRINCESS BY RELEASING
THE ENCHANTED
CASTLE WILDS DURING
FREE SPINS?**

Each Wild granted will stick with you throughout your entire feature and even adds an additional free spin. So, shine your armor and get ready to climb the tallest tower in order to rescue the fair maiden from her entrapment.

You will need to battle through the forgotten paths which lead to her prison, by using our **20 lines in play and feature hit rate of 119**, you will be fighting with the odds in your favor to win her hand.

Of course, every Prince needs a little help, collect scatters in forms of protective shields, with **3 to 5 triggering freespins**, to drive you towards victory.
