

# BARBARIAN GOLD

In their latest classic, Iron Dog takes you on a quest of great fortune and glory! In ancient times, Barbarians fought demonic creatures in search of gold. Begin your own quest in search of treasures in faraway lands and challenge evil monsters. Every battle brings you deeper into the volcanic underground, closer to a cave of gold. This clash will be volatile, with great victories of expanding wilds and unbounded increasing multipliers.

You start your adventure in the base game, where you are welcomed by a peaceful village and alluring soundtrack. Look out for the Expanding Wilds, which can pay a max prize 250x and scatter symbols which trigger Free Spins. Grab your axe, mount your horse and prepare to begin your quest in Barbarian Gold!
