IRONDOG STUDIO

BOOK OF BA'AL

JOIN OUR INTREPID EXPLORER AS HE DELVES INTO THE PHARAOHS' ANCIENT TOMBS DEEP BENEATH THE EGYPTIAN PYRAMIDS. BOOK OF BA'AL IS IRONDOGSTUDIO'S LATEST SLOT IN THE 'BOOK OF' SERIES, BOASTING A 5100X MAX WIN, AGAINST THE BACKDROP OF A MYSTICAL EGYPTIAN THEME.

Book of Ba'al will have players feeling like Pharaohs when they land three, four, or five 'Book' symbols, finding themselves immersed in the exciting, ancient kingdom of free spins. During free spins, players put their fate in the hands of the gods, leaving them to decide the special scatter symbol. Landing the symbols causes them to expand across their reels, before scattering across the slot, paying if they land on an active win-line, pushing the players ever closer to achieving the game's maximum win.

The new, cumulative 'Book' collecting feature makes it easier for players to gain the luck of the Scarab, with 'Books' stacking to the side of the slot. Once the player hits 25 books, a bonus free spin is triggered, assisting players in their journey to the jackpot. The collection bonus feature constitutes a single free spin, in which a special scatter symbol is chosen before the round starts, transforming all symbols on that reel. During this spin, players have the chance to win further scatters. Play today to decide your fate!
