BULL DOZER

SCATTER SYMBOL

Land Scatters to enter Freespins, with possibilities to retrigger further Freespins, as well as the Bull Dozer Wild Chaser feature, and jackpots.

HOLD AND WIN

Bull Dozer's player favourite Hold and Win feature includes a range of available jackpots from Minor right through to Mega; alongside the usual coin collecting mechanic, jackpots provide something to aim for beyond the given spin.

WILD SYMBOL

Bull Dozer's titular feature is a Chaser Wild bonus, providing excitement in the base game even between feature rounds, keeping players on the edge of their seats aiming for big bonus wins. Land the Bull Wild, and watch it chase any Bull Dozer symbols off the board, leaving a trail of Wilds in its wake to payout big wins.
