Details:

Grizzly Strike is the third iteration in Iron Dog Studio's Strike series of Hold and Win slots. Including the most powerful Expanding Wild feature of the series so far.

Trigger the Expanding Wild by landing two Grizzly Wilds on a winning line, at which point one will expand and chase the other from the board, leaving Wilds in its wake.

Land three or more Scatter symbols to enter Freespins, with a higher chance of triggering the Expanding Wilds.

Land six or more Nuggets to enter Hold and Win, awarding three respins as well as three tiers of jackpots
