Enter the Forge

Forge of The Gods brings players a fiery gameplay experience, at a high volatility offering the possibility of some truly god-like wins. With a slightly moodier take on the player favourite Asgardian theme, this is a classic but exciting 5x3 slot from Iron Dog Studio.

**RESPINS:**

Mini-feature: 1/60 Hit rate

A respin feature provides added anticipation to the base game; landing two Scatter Symbols awards the player a respin, where 3-9 symbols are highlighted, and if landed will expand across the reels.

**FEATURE ROUNDS:**

Freespins: 1/191 Hit rate

Landing 3 Scatter Symbols launches the player into Freespins rounds, with an engaging progression feature to setup some potentially massive wins.

Each time a symbol lands on a winning line, it is highlighted in the feature, and if a further win is triggered with a highlighted symbol, that symbol will expand across the reel, triggering big wins.
