Game Description

Prospect Gaming presents Ghost Huntin', a brand new game that is sure to get everyone spooked!

During the Base Game, a Ghost Hunter stalks the reels with every spin. When the Hunter lands on a reel with a Ghost, they trap it and collect that reels' value.

With Ghost Huntin's Antebet feature activated a second Ghost Hunter appears on the board, giving a greater chance of capturing ghosts and earning rewards.

When on Freespins, the player can win a greater payout by having more than one Hunters moving across the reels! The number of Hunters during Freespins is determined by a pre-feature. Moreover, the player receives 5 more spins for every additional Freespins landed.
