Truly Casual Megaways

Fruity Megaways brings players a truly casual volatility Megaways slot. By removing multipliers and massively high paying symbols, the game provides players a more consistent Megaways gaming experience.

**PICK ME! FEATURE:**  
Bonus feature: 1/66 Hit rate

Featured in the base game, the PICK ME! feature breaks up the core gameplay with a tumble triggered minigame that can award instant stake multipliers or Freespins rounds.

**FEATURE ROUNDS:**  
Freespins: 1/196 Hit rate

Enter Freespins by landing Scatter Symbols or via the PICK ME! minigame. Fruity Megaways' Freespins are a simple but engaging elevation of the base game, awarding stake multipliers after consecutive tumbles.

By awarding stake multipliers via the PICK ME! Feature and Freespins rather than progressive multipliers on consecutive tumbles, Fruity Megaways brings the massive action gameplay of Megaways to a broader audience, with a more casual volatility level.
