A casual game with a nostalgic theme reminiscent of the arcade racing games of the early 2000s, Mad Cabs from Iron Dog Studio is set to take players on a trip down memory lane.

With its iconic cars and vibrant theme it cannot go unnoticed!

In terms of features, Mad Cabs brings a player-favorite symbol expansion mechanic with a fun and engaging pre-feature selector to break up the base game.

During Freespins rounds, the expansion feature occurs more often. Players can enter Freespins by landing 3 or more Scatters.
