Game Description

Following the success of the Megaways Jack games, players can join Jack on an exciting new adventure to the North Pole in Megaways Jack Frost!

During the Base Game, players will be treated to a visually stunning experience with captivating features. They can watch as winning symbols freeze and shatter, and reels lock in place with an enchanting icy border that gradually freezes the entire reel.

Players can trigger Freespins and dive into a snowstorm by landing 4 Scatter Symbols. Once triggered, the pre-feature will determine the number of Freespins, Locked Reels, Jack Frost as well as the multiplier value.

Whether the player is in the base game or Freespins, landing a Jack Frost Symbol will shower them with fantastic bonuses like Symbol Swaps and Wild Symbols, making every spin a chance for a big win!
