Land one or more bonus symbols (Cash/Collector) on each reel and get three respins.

Game Description

Solar Nova Hold & Win is a new 3x3 slot by Prospect Gaming. The theme is inspired by space, with features including jackpot symbols, and a collector symbol.

Explore outer space during the base game with the collectors gathering the cash value of the cashes landed. When in luck, watch as the cash and the collector stick on the board for up to three additional bets! Landing a bonus symbol gives a chance of getting a cosmic cash shower, with more bonus symbols landing on the board!

Dive deeply into the cosmic action by landing one or more bonus symbols on each reel and activate Hold & Win. Enjoy three thrilling respins as collectors cling to the reels, ensuring your cosmic journey is filled with excitement until the very end. When a new bonus symbol lands on the board the respins reset to three.
