Game Description

Cock-a-doodle-doo! Meet Farming Frenzy, a fun farm-themed slot game by Iron Dog Studio. Perfect for both enthusiasts and newcomers of the expand and pay (book of) mechanic with features such as Respins, Freespins Rounds and Expanding Wilds.

In Farming Frenzy, players are transported to a farmland filled with animals that they need to take care of. During the base game, the anticipation builds up once 2 Scatter symbols are landed, triggering the Respins feature which awards one extra spin. Between 3 to 9 symbols are chosen at random and are highlighted on the special Collection Panel beside the reels, if these highlighted symbols land on the board, they expand, leading to higher payouts.

The excitement on the farm intensifies when 3 or more Scatters are landed. Landing 3/4/5 Scatter symbols grants 8/10/12 Freespins respectively. Symbols land on multiple reels of the board and they expand and pay. Each new symbol added to the Collection Panel awards players with one extra spin.
