Game Description

Get ready for an exciting adventure with 3 Lucky Minecarts Hold & Win, the latest 5x3 slot from Prospect Gaming!

The game focuses on three minecarts - Blue, Purple, and Red - each with its own unique bonus features. The Blue minecart acts as a multiplier - doubling all values, the Purple transforms all coins into multipliers (ranging from 15x to 100x) or jackpots (from Mini to Mega) and the Red minecart collects all the values from the board.

But that's not all - the minecarts can be triggered simultaneously, significantly increasing the chances of high payouts!

Activate Hold & Win by landing 6 coins, giving 3 spins that reset with every new coin landed and featuring jackpots (15x/50x/150x).

The action intensifies with Freespins, where the Wild symbol becomes a 2x Wild, doubling the payouts!
