Game Description

Join the Maori tribe on the forbidden Hei-Tiki Island in 3 Crazy Tikis, an Iron Dog Studio slot with 5 reels and up to 30 lines.

Discover the island's hidden secrets as you land Tikis with magical powers that come alive during Hold & Win. The **Blue Tiki** doubles all values, the **Purple Tiki** turns coins into multipliers (15x to 100x) or jackpots, the **Red Tiki** collects all values, and the **Golden Tiki** can transform into any of the others. These features can trigger simultaneously, boosting your chances for big wins. Remember, Tikis grow larger with every coin they collect!

But that's just the beginning—during Hold & Win, you can also land **mini**, **major**, and **mega jackpots** (15x/50x/150x), ramping up the excitement even more.

The temperature rises when on Freespins, where all winning combinations featuring Wilds pay with a **2x multiplier**. It's time to heat things up!
