Land **one or more bonus symbols** on each reel and get three respins!
Every time a special symbol lands, the respins counter **resets**.

Game Description

Get ready for the ultimate Wild West adventure with **Western Wilds Hold & Win!** Saddle up, grab your cowboy hat and embark on a thrilling journey filled with cash showers and bonuses.

The real action kicks off in the base game, where the **Collectors** gather the cash values of the landed symbols. **Cash symbols** and **Collectors** can stick on the board for up to three additional spins, maximising the chances for a hefty payout!

But that's not all. Landing a **Bonus symbol** can trigger a **cash shower**, with more Bonus symbols landing on the reels!

The temperature rises when one or more Bonus symbols are landed on each reel, activating **Hold & Win**. Enjoy three thrilling respins, where Collectors stick to the board, ensuring that the excitement lasts until the very end. Each time a new Bonus symbol lands, the respins counter resets to three, keeping the adrenaline pumping and the wins flowing!
