Game Description

Three elite K-9 operatives. One high-stakes mission: fetching explosive payouts with every blazing spin! Are you ready, cadet?

Baxter, Ronnie, and Sniffer are locked, loaded, and ready to deploy—growing in size every time a coin of their corresponding colour lands (Base Game/ Freespins). The mission kicks into high gear when six or more coins land, activating **Hold & Win** mode, and granting 3 respins that reset with new coins landed!

Baxter's Blue Coin executes a full-scale collection op, gathering the value of all coins, including mysteries and other collectors!

Sniffer's Green Coin transforms into a classified mystery jackpot coin, packing serious firepower.

Ronnie's Red Coin locks onto a 2x2 target zone, deploying an arsenal of coins into empty positions and doubling values in occupied spaces!

If coins land but aren't enough to trigger Hold & Win, the K-9s have your six! A surprise **coin shower** can be deployed at random, unleashing a hail of coins to secure the mission objective!

Stay alert when **3+ Scatters** land and **8 Freespins** are dispatched straight to your location, setting the stage for an action-packed encore.

Victory is within reach, and these **3 Top Dogs** are on their marks and ready to deploy an arsenal of high-adrenaline wins!
