GAME DESCRIPTION

Meet the amphibian superstars of **Iron Dog Studio's** latest ribbeting 5x3 slot! Join the three frogs on an *unfrogettable* adventure, where their sticky tongues snatch up every payout that hops their way!

Ramp up the madness by landing **6+ coins** and triggering **Hold & Win**, granting 3 respins that reset with every new coin. Fill the entire board for the **Mega Jackpot of 5,000x** for an extra dose of froggy delight! Each frog comes with special abilities that unlock by landing their matching coloured coin when Hold & Win is triggered:

Ribbert's purple coin adds a large cash value to itself and distributes it to other coins on the board!

Toadd's blue coin collects the value of all coins on the board!

Frogbert's red coin spawns a trail that leaps across different symbols on the board, adding a random value to them!

Remember: Even if a coloured coin lands without triggering Hold & Win, a **Coin Shower** can still randomly spring into action!

And don't leap off the lily pad yet—landing **3+ Scatters** will grant **8 Freespins**, during which all wilds become 2x wilds!

Take a leap and spin the reels, **3 Mad Frogs** is here to give you a froggin' good time!
