Land 6+ coins to trigger **Hold & Win** with extra rows on the board to unlock by landing new coins!

Game Description

Flashy, fruity, and filled with juicy surprises—what more could you want from a slot game? **Fruit Coins Hold & Win** is dialling up the vitamins—and the payouts—in this delicious blend of fruit power and sweet rewards!

Starting out in the base game, every coin that lands fills the fruit bowl at the top of the reels with more juicy treasure than a tropical beach!

Land **6 or more coins** to trigger **Hold & Win**, granting 3 respins that reset with every new coin landed. Keep your eyes peeled for any mystery symbols that land during H&W—they will randomly transform into one of the fixed jackpots! The cherry on top: H&W mode has an extra 4 rows available that can each be unlocked by landing more coins, boosting your chances for big wins and delicious payouts!

And don't fret—if not enough coins land to trigger H&W, a random **coin shower** can activate the feature for a chance at filling the entire board and claiming the **Mega Jackpot** (10,000x)!

Need more juice? Landing **3+ Scatters** triggers the **Free spins** feature, granting you 8 extra spins to help you lay claim to a fruity storm of cash prizes!

Life is a bowl of cherries in **Fruit Coins Hold and Win**—are you ready to take a bite?
