Game Description

Get ready to reel in the largest cash crab in **Iron Dog Studio's** latest 6x4 fishing expedition! **Loot Crab** is sure to rock your boat, bringing you closer to a net full of tasty seafood—and big wins!

In **Loot Crab**, spinning to win is as easy as shooting a fish in a barrel! In the base game, if cash symbols land, at least one of the crab boats above the reels can randomly send a collector symbol onto the reels to gather all cash values on the board—hook, line, and sinker!

And there's plenty of fish in the sea! Capturing **3+ Scatters** will reel you into the **Bonus Collect Feature** with 2/3/5/8 feature spins awarded. In **Collect** mode, at least one collector symbol is guaranteed to be sent to the reels by the boats above on every spin to gather the sum of all cash values on the board!

What are you waiting for? Prep your bait, cast your net, and reel in your biggest catch yet in **Loot Crab**!
