GAME DESCRIPTION

Monkey business has never looked this good! Swing into jungle madness with **3 Cheeky Chimps** by **Iron Dog Studio**, where mischievous monkeys, juicy payouts, and thrilling feature rounds await!

Land one or more coloured coins in the base game for your chance to trigger the **Hold & Win** feature, where cheeky chaos and jungle-sized rewards await!

The monkey business goes bananas if a coloured coin is part of the triggering spin:

Maurie's Red Coin adds 3 extra rows to the board!

Mort's Green Coin adds an extra spin to the feature, giving you 4 respins that reset with every new coin landed!

Mick's Blue Coin adds a random cash value to at least one symbol!

And here's the twist... You can land additional coloured coins during **Hold & Win**, each colour unlocking a new bonus feature! Watch the features stack with each new coin landed—these monkeys are ready to rule the reels!

The jungle never sleeps, so what are you waiting for? Grab the liana and swing your way to wild wins and incredible bonus features in **3 Cheeky Chimps**!
