GAME DESCRIPTION

Will **Lucky Joe** win in the fight against crime? The man who shoots faster than the speed of light is here to bring players the thrill they've been waiting for!

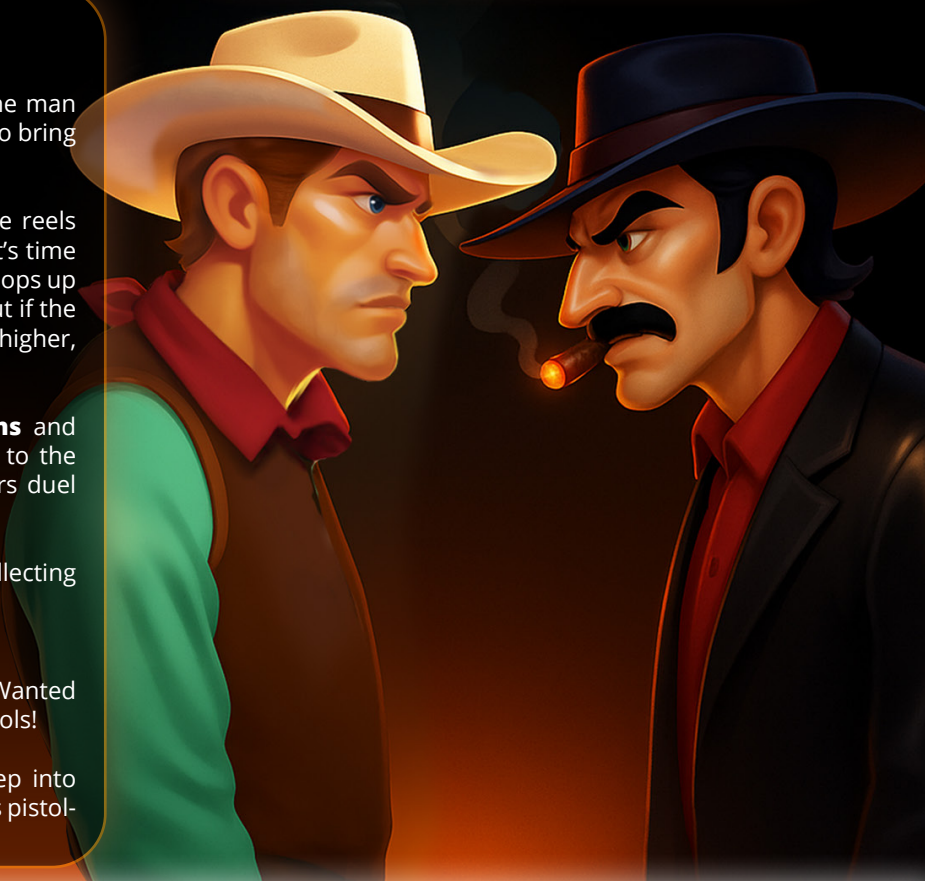

In the base game, the 6-shot revolver beside the reels loads up with a bullet. When the chamber's full, it's time for a showdown! If **Lucky Joe** hits his mark, he scoops up all the cash values on screen for a thrilling win. But if the villain gets the upper hand, your bounty climbs higher, making you the most wanted outlaw around.

Land **3/4/5 Scatters** to trigger **6 Feature Spins** and earn a **+20/150/1000** cash prize added straight to the **Wanted Poster**! With every spin, the gunslingers duel again!

If Lucky Joe wins, blue poker chips rain down, collecting the bounty from the Wanted Poster on the board.

If the villain wins, red poker chips boost the Wanted Poster with the total value of all visible cash symbols!

So grab your hat, strap on that holster, and step into **Cowboy Shootout** to become the most notorious pistol-wielding outlaw in the far West!
