Land 6+ coins to unlock the **Hold & Win** feature, summoning 3 crazy respins that reset with every new coin landed!

GAME DESCRIPTION

Can these Tikis get any crazier? Embark on a wild adventure and defy the mysterious Tiki gods—or play by their rules—in **Iron Dog Studio's** latest **Hold & Win** extravaganza!

In the base game, the madness builds to a crescendo as the powerful Tiki absorbs all special symbols that land on the reels, growing mightier with each successful spin! Land **6+ coins** to trigger the **Hold & Win** feature and unleash 3 wild respins, which reset every time a new coin lands! If not enough coins land to trigger **H&W**, fear not! The Tiki may call on a random coin shower, summoning **Hold & Win** for you!

During Hold & Win, supernatural **Collectors** gather the values of all special symbols on the reels, including coins, jackpots, and other collectors. Fill the board for the mythical **Grand Jackpot (5,000x)** and feel the Tiki's relentless powers surge through the reels!

Will you challenge the whims of the crazy Tiki gods, or will you embrace the madness and claim blazing payouts in **Crazy Tiki Hold & Win**?
