GAME DESCRIPTION

Welcome to **Burn in Hell**, where the flames never die and every spin drags you deeper into a pit of blazing wins!

The heat rises in **Hold and Win**, where **Collectors** sweep up the value of every coin, jackpot, or even fellow collectors on the reels. **Multipliers** burn away after landing, leaving behind a glowing multiplier value (**2x, 3x, 4x, 5x, or a hellish 10x!**) that supercharges every cash symbol landing in that spot!

How do you enter the **H&W inferno**? Land 6 or more coins to ignite 3 hell-hot respins that reset with every new symbol landed. Fill the entire board, and the ultimate prize is yours: the **Mega Jackpot**, worth a scorching **5,000x your bet!**

Don't lose hope if you fall short of triggering a feature. A coin shower can activate randomly, firing up **Hold & Win!**

Burn in Hell is an all-out descent into madness, with spinning firestorms of Collectors, multiplier mayhem, and jackpots hotter than ever! Can you make it out alive?
