GAME DESCRIPTION

Full steam ahead for chugging wins and roaring engines! **Train Strike Hold & Win** puts the “loco” back in locomotives with a high-octane ride packed with Collectors, bonus symbols, coin showers and non-stop action.

Your journey begins when a **Collector** and a **cash symbol** land together, scooping up every cash value in sight in one swift haul.

But the real thrill kicks in when a **Collector** and 4 or more coins land. That’s your ticket to **Hold & Win**, where the tracks heat up with 3 respins and nothing but bonus symbols in play. Every new bonus symbol resets the counter, and each new **Collector** triggers the **Collect** feature and unleashes another round of excitement!

With Jackpots, Collectors, and an exciting H&W mechanic, this ride is anything but off the rails. All aboard **Train Strike Hold & Win**: your next big payout is just around the bend!
