GAME DESCRIPTION

Four gemstones. Endless riches. Tap into the unlimited gemstone power of **4 Wild Riches** and boost the shine (and the wins) to cosmic levels!

Call upon the forces of the universe when you land a bonus coin in the base game: There's a chance **Hold & Win** will activate, granting 3 respins that reset with every new coin landed. Each gemstone brings its own supercharged feature! And that's not all—gems that didn't land upon triggering **H&W** can land during the feature, adding their **unique abilities** to the feature!

The **Red Gem** expands the board with 3 extra rows, polishing the shine to the max!

The **Green Gem** adds an extra respin, charging your H&W round with additional gemstone power!

The **Blue Gem** drops a random cash value on at least one symbol that lands on the board!

The special **White Diamond** can randomly activate **Hold & Win**, bringing a flurry of coins onto the board!

Shine brighter. Dream bigger. Spin your way to great fortunes in **4 Wild Riches** and release the power of the universe like never before!
