GAME DESCRIPTION

Deep beneath the golden sands of a long-forgotten civilisation, a sealed tomb conceals buried secrets, age-old treasures... and the spirit of a mummy that's not too keen on sharing its fortunes. Riches beyond belief await in **The Golden Mummy Hold & Win**—but can you spin your way through booby-trapped chambers and ancient supernatural forces?

In the base game, every **cash symbol** that lands is summoned into the sarcophagus above the reels! Land **Collectors** and watch as they scoop up cash symbols, fueling your journey deeper into the tomb.

Land **6+ coins** to unleash the **Ancient Hold & Win** feature, granting three respins that reset every time a **Collector** lands. During **H&W**, only cash symbols stick to the reels! And if fortune seems to slip away, fear not; the gods may intervene, unleashing a divine coin shower to trigger H&W and keep your adventure alive.

Step into the tomb, brave the curse, and claim the treasures of **The Golden Mummy**... If you dare!
