GAME DESCRIPTION

On the first day of Christmas, **Iron Dog Studio** gave to me... **3 Christmas Fortunes** trees! Magical elves, cheeky snowmen, and red-nosed reindeer await in this sparkling holiday adventure packed with prizes and dazzling holiday wins!

Land **one or more coloured baubles** in the base game for a chance to trigger **Hold & Win**, where delicious surprises are ready to be unboxed! Each coin comes with a special feature:

Red bauble – Expands the board with 3 extra rows, opening up even more ways to win!

Green bauble – Gifts you an extra spin for 4 respins that reset every time a new coin lands!

Blue bauble – Adds a random cash value to one or more symbols for an instant festive boost!

The magic doesn't stop there! Land more coloured baubles during **Hold & Win** to unwrap even more bonus features! Each new bauble stacks the holiday cheer (and the prizes!) higher and higher.

Step into a winter wonderland of festive fun with **3 Christmas Fortunes** and chase those sparkling holiday vibes all the way to the North Pole!
