GAME FEATURES

FREESPINS 1/194 HR

Land 3/4/5/6 Scatters to activate the Freespins feature with 12/18/24/36 extra spins. During Freespins, a special Vault Collector can crack the safe, but only if it lands on the same reel as Stick-Man Steve!

GAME DESCRIPTION

Meet **Steve.** Last name, Stick-Man: doodled daredevil. In **Stickman Cash** by **Iron Dog Studio**, he jumps over the reels to reach treasures beyond his wildest stick-man dreams... But will he make it out un-squished?

In the **base game**, Steve leaps across the top of the reels, snatching up sparkling jewels along the way. Six spins, and he adds his loot to the vault—but watch out! There's a chance that Steve is squished, adding a random cash value to the vault. If luck's on your side and he survives, the vault bursts open, and Steve collects the total cash sum in the vault!

Land **3+ Scatters** to trigger the **Freespins** feature, granting up to **36 extra spins! Freespins** adds a shiny new **Vault Collector** symbol that can crack the safe in a heartbeat—but only if it lands on the same reel Steve is on! Then boom! Instant payout.

One stick-man. One vault. One shot at glory. Steve might be nothing but lines and scribbles, but with the right spins, **Stickman Cash** might just sketch your fortune!
