Land at least 2 coins and a Collector to trigger **Hold & Win**, granting 3 super-charged respins that reset with every new **Collector** landed!

GAME DESCRIPTION

Step into **Diamond Supercharge** and get ready for the ultimate 3x5 adrenaline rush! Watch as coins, collectors, and colossal multipliers collide for supercharged payouts in this all-out, diamond-fueled showdown!

In the base game, each coin adds to the pile of diamonds at the top of the reels. If at least one coin and one collector land, the **Collect Feature** triggers instantly!

Land at least two coins on the outer reels and one Collector, and it's ON! **Hold & Win** activates, granting 3 spins that reset with every new symbol!

Here's where the SUPER in 'super-charged' comes in: Every **Hold & Win** spin comes with highlighted multiplier positions from 2x up to 5x. Land a cash symbol on a highlighted position and... ZAP! Get ready for high-voltage wins as the collector boosts the cash symbol according to the multiplier value!

And the action doesn't stop there! **Coin Showers** can strike at any moment, activating H&W for a chance of 10x multipliers and massive cash explosions!

Amp up your wins with **Diamond Supercharge** and get ready for the ultimate power play!
