GAME FEATURES

HOLD AND WIN 1/150 HR

Land a **Collector** in the middle reel and coins on each side reels to activate **Hold & Win**, granting 3 respins that reset with every new bonus symbol landed!

GAME DESCRIPTION

The golden sands conceal many secrets, but not all treasures are meant to stay buried... Step into the ancient realm of **Cleopatra's Fortune** by **Iron Dog Studio** and unravel mysteries the desert has guarded for centuries. Do you dare claim the queen's treasure, or will her riches remain unclaimed?

Ancient power awakens when a **Collector** lands, claiming the total value of all coins on the board. The **Enhanced Collector** goes further, whipping the desert air into a frenzy as one of three powers awakens: a random **1-15x multiplier** on the Enhanced Collector that supercharges the collect; a random jackpot to its value; or, in the base game only, the summoning of a mystic **Coin Shower**, triggering **Hold & Win**.

When coins land on both the side reels and a **Collector** lands in the middle, **Hold & Win** ignites, initiating a sacred ritual of fortune. You are granted 3 respins that reset with every new symbol landed. Chase Cleopatra's blessing by filling the entire board and snatch the **MEGA Jackpot (5,000x)**.

Cross the veil of time and enter Cleopatra's secret tomb, where every spin carries the promise of ancient treasure. Will your story end in gold, or will the sands of destiny remain hidden in time?
