### GAME DESCRIPTION

All aboard for **3 Runaway Riches**, Iron Dog Studio's latest full-throttle slot! Can you handle the ride?

The **base game** is loaded with juicy fruit symbols, shimmering bells and whistles! When a coloured coin lands, there's a chance you're shunted straight onto the fast track, triggering **Hold & Win** and granting 3 respins that reset with every new coin landed. Once **Hold & Win** is underway, brace yourself for Mini, Minor, Major, and Mega Jackpots, delivering a turbo-charged win boost!

Each coloured coin brings its own freight-load of bonuses to the race:

Land a **Red Train Coin** and a second board appears alongside the first, turning the feature into a two-engine haul!

Land the **Green Train Coin** and watch as extra coins drop onto the boards! When the feature reaches its final stop, the green train makes one last power run, upgrading every cash value in sight!

Land the **Blue Train Coin** to extend the scenic journey, adding an extra spin to the H&W round, giving you 4 respins!

With expanding boards, extra spins, and payouts that keep gaining momentum, **3 Runaway Riches** is a non-stop express where the surprises never slow down. Load the cargo, jump on board, and let the big wins pick up steam!
