Land **3+ Scatters** to activate the **Golden Path** feature, granting 3 respins that reset with every new Golden Clover landed.

**GAME DESCRIPTION**

**Lucky O'Loot**, the wily Leprechaun, invites you to step into the colourful wonderland of **Leprechaun Charms: Rainbow Jackpots!** Can you follow the Golden Path, outwit a wily little green fellow, and uncover your next shimmering pot o' gold?

Every spin in the **base game** moves a ray of light across the reels and closer to the pot of gold! But if **Lucky the Leprechaun** lands, snap!, the beam rushes back to the start! And if a **collector** lands on a reel with a leprechaun, Lucky O'Loot pays out its cash value instantly!

Land **3 or more Scatters** and pave the way for the **Golden Path H&W** feature, granting three spins that reset when a **Golden Clover** lands.

Watch as the golden path on the side of the reels glitters with promise, and every time a **Golden Clover** lands, it collects the values of all Cash symbols on the board, including pesky **Jackpots**. Fill the whole path, and the clover claims the top jackpot, making room for the next prize in line. Snag the **Mega Jackpot (5,000x)** and the pot's emptied clean...but don't worry, it's always eager to be filled again!

In **Leprechaun Charms: Rainbow Jackpots**, the path to gold is paved with lucky clovers. **Lucky O'Loot** is itching for a little mischief. Can you light up the Golden Path and claim the riches at its end?
