### GAME DESCRIPTION

Step into the wild with **3 Apex Treasures** by **Iron Dog Studio**. Three apex guardians. Three unique powers. Harness their strength to claim their treasure.

In the base game, three powerful **Apex Coins** stalk the reels: **Wolf**, **Eagle**, and **Grizzly**. Only one animal can land per reel, keeping every spin packed with wild adrenaline. Land **at least one Apex Coin**, and there's a chance the hunt escalates into a wild **Hold & Win** feature!

Upon triggering H&W, each **Apex Coin** landed unlocks one of three boards, starting you off with three respins that reset with every new symbol landed. And that's not all: **Apex Coins** that weren't on the triggering spin can land during H&W, stacking their fierce powers!

Each Apex Coin unlocks its own power:

The **Eagle** boosts a cash symbol with a random value between **+1x** and **+10x** when a new coin lands, powering your soaring payouts!

On every spin, the **Grizzly** will choose a random cash value and add its cash value to itself.

The **Wolf** upgrades every cash symbol on its board with a random multiplier between **2x** and **5x** when you run out of spins on all boards!

Tame the predators, unlock their powerful boards, and feel the apex power course through your veins. **3 Apex Treasures** has got bite... But have you got the guts to spin your way through the wilderness?
