GAME DESCRIPTION

Enter the wild in 3 Apex Treasures. The iconic Apex Guardians are back and ready to award wins of up to **7,500x**.

Land **at least one Apex Coin** for a chance to trigger the **Hold & Win Feature** with 3 spins.

Each guardian brings its own ability:

- **Eagle** boosts a cash symbol with a **random value between +1x and +10x** whenever a new coin lands.
- **Grizzly** selects a **random cash symbol** each spin and adds its value to itself.
- **Wolf** upgrades every cash symbol on its board with a **2x-5x multiplier** when all boards run out of spins.

WHAT TO EXPECT:

Upon activating the **bonus round**, each Apex Coin **unlocks its respective board**.

Apex Coins that didn't appear on the triggering spin of the **bonus round** can still land during the feature, unlocking their powers.
