GAME FEATURES

HOLD AND WIN 1/130 HR

Land **at least one Godly Coin** for a chance to trigger **Hold & Win**, granting 3 respins that reset with every new symbol landed!

3 INDEPENDENT BOARDS

Each board belongs to a different God and unlocks when a Godly Coin lands, either on the triggering spin of H&W or during the feature.

GAME DESCRIPTION

Three gods, one field, and endless chances to score big. Zeus, Poseidon, and Apollo are down for the match of a lifetime in **3 Gods of Goalympus!**

Land **at least one Godly Coin** for a chance to trigger **Hold & Win**. Upon triggering the feature, each Godly Coin landed unlocks its respective God reel, starting with 3 respins that reset whenever a new symbol lands.

Each God reel has its own divine powers:

- **Poseidon** upgrades the value of nearby coins every time a new coin lands.
- **Zeus** collects values of random symbols across the board every time a new coin lands.
- **Apollo** boosts all symbols landed with multipliers from 1x to 5x at the end of the feature.

WHAT TO EXPECT

Multiple boards can be active at the same time, each running its own Hold & Win cycle.

Additional Godly Coins can land during the feature, unlocking more reels and combining divine powers.
