GAME FEATURES

HOLD & WIN

1/120 HR

Land one or more coloured coins for a chance of triggering **Hold & Win** with 3 respins that reset with every new symbol landed!

GAME DESCRIPTION

Three pigs. One vault of prizes. Ready to bring home the bacon?

Blue, Purple and **Red** coins that land are collected by their corresponding piggy sitting above the reels, before transforming into random **cash symbols**.

If **H&W** is triggered, **3 respins** are initially granted and each Porky will be able to unlock a powerful feature if they are part of the triggering spin. The **Super Pig Coin** will unlock all three modifiers at once and if four rows or more are filled the **Grand Jackpot** (5,000x) will be awarded.

WHAT TO EXPECT:

- Five fixed Jackpot prizes: **Mini/Minor/Major/Mega** that pay **15/50/150/1000x** respectively.
- If the **Blue Coin** is part of the triggering H&W spin, it unlocks additional rows, expanding the board to 5x6.
- If the **Purple Coin** is part of the triggering H&W spin, the bonus game will have four spins instead of three.
- If the **Red Coin** is part of the triggering H&W spin, one or more symbols on the board receive a random juicy cash boost upon landing.
