Land **at least one Coloured Coin** for a chance to trigger **Hold & Win**, granting 3 respins that reset with every new symbol landed.

GAME DESCRIPTION

In **4 Crabbin' Fortunes** by **Iron Dog Studio**, every spin reels in big wins and a tidal wave of rewards for crustacean-powered payouts!

Land **1+ Coloured Coins** (Red/Blue/Green) for a chance to trigger the **Hold & Win** feature with 3 respins! Each coloured coin landed activates its own board and ability:

- **Scuttle (Red)** boosts the value of every new **Cash Coin** landed with a random multiplier between 1x and 10x
- **Barnaclaw (Blue)** upgrades all cash symbols on its board with **2x - 5x** multipliers when the feature ends
- **Pincher (Green)** collects the sum of a random Cash symbol on each spin, adding it to its own value!

Look out for the **Crab Wizard Crabracadabra** roaming the top of the reels during the Hold & Win feature. There's a chance he'll grant you extra spins, keeping the feature from running out!

WHAT TO EXPECT

Additional **Crab Coins** can land during the feature, unlocking more boards and combining crab powers.
