GAME FEATURES

HOLD AND WIN
1/126 HR

Land **6+ coins** to activate **Hold & Win**, granting 3 respins that reset with every new coin landed! The **Critical Surge Feature** can trigger, boosting 1-5 random symbols with multipliers from 1-5x!

GAME DESCRIPTION

This rhinestone just got supercharged! In **Super Diamond Charge Hold & Win** by **Iron Dog Studio**, every spin ignites a 5x3 grid packed with electrified diamonds and super-sparkly jackpot chaos!

Land symbols in the base game to power up the diamond above the reels.

Hold & Win triggers when 6+ coins land, unlocking 3 respins of high-voltage action! And when a Collector lands in H&W, it gathers all H&W values on the board.

WHAT TO EXPECT

Coin Showers can randomly activate **Hold & Win**, where every new symbol resets the respins counter to 3. There's a chance the **Critical Surge Feature** triggers during H&W, zapping 1-5 random symbols with multipliers from 1-5x!
