Land **3 coins in a row** to activate the **Hold & Blitz Feature**, with 9 individual boards running their own respin counter!

GAME DESCRIPTION

Crack open big riches in **Prospector Wilds Hold & Blitz** by **Prospect Gaming**! Nine individual 3x1 boards await, each paying its own line.

Land **3 coins on a single reel** to trigger **Hold & Blitz!** During the feature, all boards activate at once, running their own H&B feature. Get 3 respins that reset when a new coin lands... but only on that specific board!

What to expect:

- Sticky Coin symbols can cling to the base game reels for up to three additional spins, boosting the chances to activate **Hold & Blitz!**
- Fill all three rows to secure the **Mega Jackpot** (5,000x)!
- All jackpots pay out at the end of the H&B feature for one explosive payout finale...
