GAME DESCRIPTION

Turn up the heat and prepare for some seriously spooky spins in **3 Spooky Chilli Peppers by Iron Dog Studio!**

In the base game, each **coloured Chilli coin** that lands is thrown into the chilli of the corresponding colour at the top of the reels. Land **1+ Chilli Coins** for a chance to unleash **Spooky Hold & Win** with 3 respins!

Each coloured coin unlocks its own spicy ability:

- **Red Chilli:** Ignites a whole extra-fiery board, doubling the 5x3 frenzy.
- **Green Chilli:** Fires up the H&W feature with an additional spin for even more heat!
- **Purple Chilli:** Drops a random cash boost onto one or more symbols.
- Land the spooky **Multi Coin** for a chance to trigger all three fiery features at once!

Ante-Bet to double the chance of triggering H&W.

Buy-In to launch H&W instantly with one or all powers activated!
